

Vitamin E-Q10-Royal Jelly

Day and Night Cream
Against harmful environmental influences
and free radicals

This unique active ingredient complex made from the vitamin E, Q10, royal jelly, jojoba oil and honey strengthens the defence mechanisms of the skin against damaging environmental influences and free radicals. Our cream makes the skin elastic, smooth and supple, and adds natural moisture.

Ingredients: Aqua, Isopropyl Palmitate, Cetearyl Alcohol, Glyceryl Stearate, Pentylene Glycol, Simmondsia Chinensis Seed Oil, Tocopheryl Acetate, Mel, PEG-40 Castor Oil, Royal Jelly, Ubiquinone, Sodium Cetearyl Sulfate, Glycine Soja Oil, Dimethicone, Potassium Phosphate, BHA, Citric Acid, Parfum.

Contents 100 ml
