

Moisturising Mask

Moisturising intensive care for all skin types
with urea
with sea buckthorn oil

The perfectly-harmonised combination of active ingredients in the Saint Bernhard Moisturising mask with urea and sea buckthorn oil supply the skin with moisturising and revitalising nutrients. Beneficial intensive care for all skin types.

Application: After cleansing the skin, apply evenly to the face (or décolleté). Avoid contact with eyes, mouth or nose. Leave to take effect for 10 - 15 minutes and then wash away with warm water. Use several times a week if necessary.

Ingredients: Aqua, Glyceryl Stearate, Kaolin, Glycerin, Butyrospermum Parkii Butter, Caprylic/Capric Triglyceride, Pentylene Glycol, Urea, Propylene Glycol, Cetareth-12, Cetareth-20, Stearic Acid, Palmitic Acid, Hippophae Rhamnoides Fruit Oil, Milk Protein, Sphingolipids, Phospholipids, Lactose, Glycine Soja Oil, Tocopheryl Acetate, Sodium Ascorbyl Phosphate, Sodium PCA, Sodium Lactate, Lactic Acid, Tocopherol, Fructose, Niacinamide, Glycine, Inositol, Sodium Citrate, p-Anisic Acid, Sodium Benzoate, Sodium Dehydroacetate, Phenoxyethanol, Parfum.
