

Algae Moisturising Mask

For a revitalizing and regenerating skin care at any age. Natürliche Auszüge der Natural extracts of the brown algae *Pelvetia Canaliculata* as well as extracts of the Sea Mayweed, also called Genuine Beach Chamomile, soothe and relax the skin and refill its moisture deposit over a long period. Fine wrinkles are gently smoothed and collagen restores skin's cushion with intense moisture, which give your skin a healthy and vital look.

Application: Clean face thoroughly. Apply a thin layer of the mask to the skin and leave it on for about 20 minutes. To remove use paper towel and rinse the area with lukewarm water. Subsequently you can apply your usual day or night cream.

Do not use this product if you are allergic to the Asteraceae (daisy) family!
