

Lip Balm Manuka

For soft, supple lips; provides special care for herpes sufferers. Contains many natural active ingredients and precious oils such as manuka oil, jojoba oil, almond oil, bisabolol, marigold extract and shea butter. Protects brittle, tight and stressed skin, and provides moisture. Manuka oil has long been used in New Zealand as a natural home remedy against lip herpes - as soon as the first symptoms are felt. It is also ideal for preventative care. Economical in use, convenient, easy to apply.
