

## Milk Bath

A health, beauty and cleansing bath with particularly skin-friendly properties. It is suitable for all types of skin and can be used instead of soap in a bath or shower and - especially for sensitive skin - for washing your face.

The precious linoleic acid protects the skin's protective acid mantle; pure milk powder and skin vitamins give the skin elasticity and a feeling of velvety freshness.

**Use:** For a full bath, add several squirts (20-30 ml) of the foam bath to the running bathwater. Enjoy your bath for 15-20 minutes at approx. 36-38°C.

**Ingredients:** Aqua, Sodium Laureth Sulfate, Lac Powder, Oleamide DEA, Potassium Cocoyl Hydrolyzed Collagen, Parfum, Tocopherol, Retinyl Palmitate, Linoleic Acid, Linolenic Acid, Sodium Chloride, Citric Acid, Titanium Dioxide, Phenoxyethanol, Helianthus Annuus Seed Oil, Dehydroacetic Acid, Benzoic Acid.
