

## No More Bad Mornings Body Milk Lemon

For skin that feels fresh and velvety soft

Don't be a grouch! Our fruity, zesty body milk chases the tiredness from your eyes with its lemony scent and revitalizes your body for a refreshed feeling in the morning. Constant tiredness is a thing of the past. The nourishing ingredients give your skin moisture and make it soft, smooth and supple. The perfect energy boost for dry skin. Whether young or old, this full body care ensures a good mood from early to late. For more lemony moments to combat bad mornings, we recommend the shower gel and hand cream from this series.
