

## Curcuma Facial Cream

For blemished skin prone to acne

Lightweight, quickly absorbing nourishing cream for blemished skin prone to acne. The curcuma extract contained in the preparation fights the undesired effects that often occur with an increased grease and sebum production. It has antibacterial and anti-inflammatory properties and calms irritated and stressed skin. A gentle care formula with aloe vera, allantoin and panthenol provides moisture and gives the skin soft and supple nourishment. The natural special active ingredient SyriCalm™ soothes skin irritations and helps tender skin to maintain its natural balance.

**Use:** Apply to freshly cleansed skin (we recommend our Curcuma Cleansing Foam) and rub in gently. Do not apply to the sensitive eye area.

**Ingredients:** Aqua, Pentylene Glycol, Caprylic/Capric Triglyceride, Cetearyl Alcohol, Glyceryl Stearate, Glycerin, Panthenol, Propylene Glycol, Curcuma Longa Root Extract, Beta Vulgaris Root Extract, Aloe Barbadensis Leaf Juice, Phragmites Karka Extract, Poria Cocos Extract, Helianthus Annuus Seed Oil, Glycine Soja Oil, Zinc PCA, Hydrolyzed Corn Starch, Allantoin, Lecithin, Tocopherol, Lactic Acid, Sodium Cetearyl Sulfate, Sodium Salicylate, Sodium Benzoate, Sodium Citrate, Ascorbyl Palmitate, Citric Acid, Phenoxyethanol, Daucus Carota Sativa Root Extract, Beta-Carotene, Parfum.
