Skin and Fur Care Spray

Intensive care for dogs

Useful information:

tierlieb Skin and Fur Care Spray provides moisture, facilitates combing and makes the fur smooth and soft. Contains aloe vera and herbal extracts from nettle, birch, chamomile, yarrow, rosemary, horsetail and sage for gentle care of the skin. Provitamin B5 contributes towards the regeneration and elasticity of the skin and reduces itching at the roots. Regular care with tierlieb Skin and Fur Care Spray protects the skin and fur against drying out and dandruff.

- For protected skin and beautiful fur
- Without silicone
- Pleasantly-fresh apricot scent

Recommendations for application: Stroke the fur against the direction of growth and spray tierlieb Skin and Fur Care Spray evenly at a distance of 20-30 cm at the roots of the fur and onto the fur until all areas are slightly moistened. In case of dry, scaly or irritated skin, spray more of the product into the roots of the fur and apply daily if required. Then brush out the fur and rub it down using a brush, a cloth or a sponge. Do not spray into the eyes or into open wounds.
