

Organic Darjeeling Tea

First Flush, SFTGFOP1

The first saplings of the tea bush after the wintry break from the heart of Darjeeling. Black Tea from controlled organic cultivation. Fresh, flowery, mild in taste but still with an expressive aroma. Highest quality with a high part of leaf tips and youngest leaves. A downright goody for every Darjeeling expert.

Ingredients: 100 % Darjeeling tea from controlled organic cultivation.

Preparation: 12 g tea leaves (about 5 teaspoons) to 1 liter of soft, boiling water. Leave for 2 minutes.

Enjoy this tea unsweetened or sweetened with some candied sugar.
