

Acai Capsules

Nutritional supplement
with vitamin B2 and acai fruit powder
vegan

Useful information:

The acai berry is the edible fruit of palm *Euterpe oleracea*, which is mainly found in the Amazon region. The berry owes its deep, purple red colour to its high content of anthocyanins, which belong to the polyphenols. In combination with vitamin B2, which is proven to contribute towards a normal energy metabolism and protection of the cells against oxidative stress (therefore damages caused by free radicals), acai capsules help keep the body healthy and vitalised and the energy levels high.

Ingredients:

Acai Fruit Powder (77 %), filler Maltodextrin, Hydroxypropylmethylcellulose, filler Microcrystalline Cellulose, separating agent Magnesium Stearate, Vitamin B2.

| | per capsule | per daily dose (= 2 capsules) | % of NRV recommended daily dose* |
|-------------------|-------------|----------------------------------|--|
| Acai fruit powder | 500 mg | 1000 mg | ** |
| Vitamin B2 | 2.1 mg | 4.2 mg | 300 |

* NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

** No reference value has yet been established

Recommended use:

Swallow 2 capsules daily with sufficient liquid.

Keep dry and out of direct sunlight. Store below 25°C.

Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Made in Germany

Contents 180 capsules = 115 g
