

24 Herbs Oil

100 % natural

Use only diluted - with numerous applications. e.g. as:

Mouthwash:

Put 1 drop of our 24 Herbs Oil in a glass of tepid water and gargle with it after tooth brushing. It also operates deep in the throat, where it is difficult to reach with the toothbrush.

Bath Additive:

For a full bath put 5-10 drops of our 24 Herbs Oil into the bathwater. Dispense sparingly. The duration for a refreshing bath should not be longer than 15 minutes and for a recreation bath not longer than 20 minutes.

Massage Oil:

Mix 50 ml of carrier oil, e.g. almond oil, with 5-10 drops of our 24 Herbs Oil. A massage with this oil helps with aching muscles and tensions.

Sauna Infusion:

Only 2-6 drops per infusion ladle are enough. Vaporizes with the water - without trace. Promotes the well-being and brings a stimulating freshness into the sauna. Turns the sauna into a naturally healthy recreation.
