

Royal Jelly+Blossom Pollen+Vitamin E

Drink bottles

High quality dietary supplement with vitamin E

Good to know:

Royal jelly - the food of the queen bee, which makes queens of bees, is a very special gift from nature.

Blossom pollen - the natural product gathered by the bees is a valuable source of energy-giving substances for your body.

Ingredients:

Liqueur wine (with stabiliser gum arabic, acidifier citric acid, preservative **sulphites**, colouring agent ammonium sulphite caramel), flower pollen (9%), royal jelly (5%), vitamin E acetate.

Alcohol content: 15 % vol.

	per glas bottle (=daily dose)	% of the recommended daily dose according to NRV*
Bee pollen	2000 mg	**
Royal jelly	1000 mg	**
Vitamin E (alpha-TE)	33,5 mg (50 I. U.)	279

*NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

**No reference value has yet been established

Directions: Take one small glass bottle daily. Shake well before use!

Do not use if you have asthma or a known allergy to Royal Jelly.

Do not store above 25°C.

Nutritional supplements should not be used as a substitute for a varied, healthy diet and do not replace a healthy lifestyle.

Keep out of the reach of small children. The recommended daily dose should not be exceeded.

Shake well before use.
