

tierlieb Ginkgo-Powder

Feed for dogs and horses

Useful information:

Fine ginkgo powder obtained from the fresh leaves of the *Ginkgo biloba* plant native to Asia. The leaves of the ginkgo tree are rich in valuable vital substances (for example ginkgolides), which offer both older and active dogs and horses an invigorating, natural supplement to their daily feed. Due to the fine level of grinding, tierlieb ginkgo powder is easy to digest and the valuable nutrients are optimally provided.

- The force of nature for body and soul
- For a natural, balanced diet
- Tested premium quality

Composition:

100 % Ginkgo leaves, finely ground.

Analytical contents:

Crude protein 13.1 %, crude fibre 14.5 %, crude fat 5.4 %.

Feed recommendation per day:

Mix the recommended quantity into the feed. A treatment course of up to 6 weeks is recommended.

Information: Ingredients of ginkgo can promote blood circulation, which is why according to the anti-doping guidelines in horse and dog sports, a waiting period of 48 hours should be observed. Feeding to pregnant and lactating dogs and horses should be discussed with the veterinarian beforehand.
