

Herbavitan femme Cleansing Milk

For the face and eye area

For the special needs of skin in the menopause. Gently cleanses the neck, face and eye area. Easily and thoroughly removes make-up even in the eye areas and leaves the skin feeling soft and pure. Particularly mild, and therefore ideal for sensitive skin during the menopause. We recommend that you remove the cleansing milk after application using herbavitan facial toner.

Ingredients: Aqua, Squalane, Caprylic/Capric Triglyceride, Pentylene Glycol, Isostearyl Alcohol, Glycerin, Isopropyl Myristate, Isopropyl Palmitate, Butylene Glycol Cocoate, Xanthan Gum, Ethylcellulose, Parfum, Acrylates/C 10-30 Alkyl Acrylate Crosspolymer, Sodium Hydroxide.

Contents 250 ml
