

Swiss Stone Pine Pillow

Soothing, relaxing, snug

GOTS-certified organic cotton pillow filled with Swiss stone pine flakes from sustainable forestry high up in the Tyrolean and Carinthian mountains. Careful handling of Swiss stone pine pillows is essential in order to make full use of the natural power of the "Queen of the Alps" Swiss stone pine.

Enjoy the aromatic fir scent of Swiss stone pine, which is commonly perceived to be conducive to healthy, restful sleep.

Sustainable

This pillow cover was woven from pure GOTS-certified organic cotton. These Swiss stone pine flakes come from sustainable forestry high up in the Tyrolean and Carinthian mountains

Handmade

This high quality Swiss stone pine pillow was carefully handcrafted in Austria.

Social

Manufacturing is undertaken exclusively by people with disabilities in eco-social facilities in Austria

Fair

From the procurement of raw materials to the choice of packaging materials, attention is paid to fair framework conditions throughout the entire production process.
