

Swiss Stone Pine Spa Bath

A nourishing, wonderfully soothing bath additive with genuine Swiss stone pine oil combined with extracts of arnica, rosemary and spruce needles. The Swiss stone pine, also known as arolla pine, which is well known from the mountainous regions of Europe, exudes a spicy-tart scent that, in combination with a warm bath, will give you a sense of tranquility and enjoyable relaxation. The skin-friendly, moisturizing base product cleanses the skin without stressing or drying it out.

Ingredients: Aqua, Sodium Laureth Sulfate, Propylene Glycol, Pinus Cembra Leaf/Twig Oil (Limonene – aus dem natürlichen ätherischen Öl), Coco-Glucoside, Glyceryl Oleate, Maris Sal, Picea Abies Leaf Extract, Rosmarinus Officinalis Leaf Extract, Arnica Montana Flower Extract, Tocopherol, Phenoxyethanol, Hydrogenated Vegetable Glycerides Citrate, Benzoic Acid, Dehydroacetic Acid, Lecithin, Ascorbyl Palmitate, Citric Acid.

Use:

For a full bath, add several squirts of the spa bath (20-30 ml) to the running bath water.
Enjoy your bath for 15-20 minutes at approx. 36-38°C.

Note: Avoid contact with eyes.
