

Coenin Q10 PLUS Capsules

Food supplement with natural Q10

Good to know:

Coenzyme Q10 is an important component of our daily diet. The additional consumption of Coenzyme Q10 is especially recommended for old age groups and in cases of an unbalanced diet. In addition are contained the antioxidants selenium and vitamin E to protect the body against oxidative stress. Selenium also contributes to the normal function of the immune system. This combination is completed with eight valuable B-vitamins. Niacin, pantothenic acid and thiamine (vitamin B1) contribute to a normal energy metabolism. Thiamine also supports a healthy, normal heart function.

Ingredients:

Magnesium Carbonate, Gelatin, Coenzyme Q10 (12 %), Niacin, Vitamin-E-succinate, Maltodextrin, Calcium-D-pantothenate, anti-caking agent: Magnesium Stearate, Silicium dioxide; Vitamin B2, Vitamin B6-hydrochloride, Vitamin B1-mononitrate, Folic Acid, Sodium Selenite, Biotin, Vitamin B12.
