

## Red Clover Isoflavone-Capsules

Food supplement with red clover isoflavones, zinc, selenium, biotin and pantothenic acid

### Good to know:

Red Clover Isoflavone-Capsules contain valuable red clover isoflavones, also called phytoestrogens. These support the natural hormonal changes of women in menopause. Red clover is one of the most valuable sources of isoflavones in nature. The formula also contains zinc, selenium, biotin and pantothenic acid to support the metabolism of the skin and hair.

**Ingredients:** Red Clover Extract (36%), Filler Corn Starch Gelatin, Zinc Gluconate, Filler Maltodextrin, Calcium D-pantothenate, release agent Magnesium Stearate, Biotin, Sodium Selenite.
