

Calcium+Vitamin D3 Chewable Tablets

Food supplement containing sweetener

Good to know: An expedient combination to support healthy bones. Calcium keeps our skeleton stable and firm. Meanwhile, vitamin D3 makes it easier for the body to absorb calcium. In addition, this vitamin exercises a multitude of important functions, amongst others for the retention of healthy bones, muscles and teeth. Calcium+Vitamin-D3 Chewable Tablets taste delicious and are easy to take.

Every Calcium+Vitamin-D3 Chewable Tablet contains **160 mg Calcium** and **1 µg Vitamin D3** (equals 40 I.U.).

Ingredients: Calcium Carbonate, sweetener Sorbitol, bulking agent Corn Flour, Low Fat Cocoa Powder (with emulsifier Lecithin); separating agent Magnesium Stearate, bulking agent Hydroxypropyl Methylcellulose, Bourbon Vanilla, Vitamin D3.

	per tablet	per daily dose (=5 tablets)	% of NRV recommended daily dose*
Calcium	160 mg	800 mg	100
Vitamin D3	1 µg	5 µg	100

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011
