

## Glucosamine Chondroitin Drink Powder

Nutritional supplement with glucosamine, chondroitin,  
vitamin C, vitamin B2 and manganese

### Useful information:

Supplements diets with glucosamine, chondroitin, vitamin C, Vitamin B2 and manganese.

**Glucosamine and chondroitin** are natural components of connective tissue, cartilage and synovial.

**Manganese** contributes to maintaining healthy bones and to normal connective tissue growth. Together with vitamin C, manganese helps the body protect tissue from oxidative stress.

**Vitamin C** contributes towards normal production of collagen for a healthy bone and cartilage function.

Particularly recommended for increased stress caused by sports, excess body weight and increasing age!

### Ingredients:

Dextrose (bulking agent), **Glucosamine Sulphate** 16 % (from **Crustaceans**), Chondroitin Sulphate 6 %, Vitamin C, Citric Acid (acidifier), Calcium Carbonate (bulking agent), Silicon Dioxide (separating agent), Orange Juice Powder, natural Orange Flavour, Maltodextrin (bulking agent), Manganese Sulphate, Vitamin B2.
