

Gelatine „Gold extra“

Nutritional supplement with amino acids

Good to know:

Gelatin "Gold extra" contains a specially developed collagen hydrolyzate, that is excellently absorbed by the body. The amino acids contained in the collagen hydrolyzate are natural components of skin, hair, nails, bones, connective tissue and joint cartilage. The composition of the amino acids corresponds to the compounds of the collagen in the human articular cartilage. Purine free.

Ingredients: Collagen Hydrolysate (90%), Fructose.

	per daily portion (10 g powder)	per 100 g powder
Alanine	0.8 g	8 g
Arginine	0.7 g	7 g
