

## Birch Body Lotion

Moisturising, gently nourishing, anti-inflammatory, anti-itch body lotion. Birch bark has a long tradition in naturopathy because it is attributed positive effects on dry and damaged skin. In addition, they should be able to provide relief in psoriasis (psoriasis) and eczema. Combined with calendula oil, bisabolol, panthenol and vitamin E, this birch body lotion leaves the skin smooth, soft and supple. Treat yourself and your skin to this soothing care after showering, bathing or simply whenever you need and enjoy a fresh, relaxed skin feeling! Fragrance-free.
