

Baby Ointment

Nourishes and protects sensitive skin

Nourishes sensitive skin and offers the best possible protection from soreness in the nappy area. Alongside beeswax, evening primrose, almond and marigold oil, hamamelis, zinc oxide and regenerating D-panthenol, Baby Ointment also contains a natural special extract (SyriCalm™). This strengthens the skin's barrier function, soothes skin irritations and helps tender skin to maintain its natural balance. Apply a thin layer.

Ingredients: Aqua, Zinc Oxide, Decyl Oleate, Prunus Amygdalus Dulcis Oil, Glycerin, Propylene Glycol, Diisostearoyl Polyglyceryl-3 Dimer Dilinoleate, Oenothera Biennis Oil, Panthenol, Glycine Soya Oil, Cera Alba, Hydrogenated Castor Oil, Magnesium Sulphate, Calendula Officinalis Flower Extract, Phragmites Kharka Extract, Poria Cocos Extract, Hamamelis Virginiana Water, Tocopherol, Ascorbyl Palmitate, Lecithin, Alcohol, Sodium Benzoate, Benzoic Acid, Dehydroacetic Acid, Helianthus Annuus Seed Oil, Phenoxyethanol.

Contents 100 ml
