

Basil extract shampoo

For thicker, fuller hair
For daily use

Herbal-rich, moisturising shampoo with a pleasant fresh fragrance for daily hair care. With a special basil extract, caffeine, zinc, panthenol, rosemary oil and other herbal extracts. Caffeine activates the hair root, prolongs the growth phase and improves hair growth. Zinc has also proven to be significant for healthy hair roots. For supportive use, we recommend our basil extract hair treatment.

Use: Apply a little shampoo to damp hair, lather up, leave on for a while, rinse thoroughly.
