

Pomegranate Shampoo

With the delicate, fresh scent and the regenerating power of the pomegranate. For hair full of body and shine. Ideal for normal and dry hair and frequent hair washing. Precious pomegranate seed oil is rich in unsaturated fatty acids and bioactive compounds that protect against harmful environmental influences and have a positive effect on the regeneration of hair cells. Your hair is strengthened from the inside and feels smooth, fluffy and well-maintained. Inulin and betaine give your hair moisture. Even with daily use, your hair is protected from further drying out.
