

Herbal-Camomile Shampoo

For the gentle and natural care of your hair

Contains camomile and horse chestnut extract, an active ingredient that prevents dandruff and re-moisturising agent as well as the vitamins A and E. Particularly suitable for sensitive scalps.

Camomile shampoo nurtures and cares for your hair. It ensures improved blood circulation and strengthening of the scalp, has exceptional anti-inflammatory properties and gives you well cared-for, full hair.

Camomile shampoo is also particularly suitable for children.

Do not use if you are allergic to composite plants.
