

## Tea Tree Oil Ointment

Contains pure Australian tea tree oil (*Melaleuca Alternifolia*). Tea tree oil has an outstanding anti-bacterial and disinfectant effect. Skin-nurturing plant-based oils such as jojoba oil, avocado oil, marigold oil and grain germ oil make the tea tree oil ointment particularly valuable.

Do not use if you are allergic to composite plants.

**Ingredients:** Aqua, Cetearyl Alcohol, Caprylic/Capric Triglyceride, Simmondsia Chinensis Seed Oil, Pentylene Glycol, Persea Gratissima Oil, Glycine Soja Oil, Zea Mays Germ Oil, Sodium Cetearyl Sulfate, Melaleuca Alternifolia Leaf Oil (Limonene, Linalool, Geraniol - from natural essential oil), Calendula Officinalis Flower Extract, Triticum Vulgare Germ Oil, Helianthus Annuus Seed Oil, Lecithin, Tocopherol, Retinyl Palmitate, Ascorbyl Palmitate.
