

Minesan Alkaline Shower Gel

Mild, low foaming shower gel with an alkaline pH value.

A gentle daily cleanser for face and body. Particularly suitable for anyone whose skin is sensitive, prone to allergic reactions or to dryness. Witch hazel, chamomile and lemon balm extract are especially suited to sensitive, irritated skin. Untreated natural sea salt helps dissolve hardened skin and promotes a healthy skin barrier. Panthenol, allantoin and betaine also help to soothe irritated skin, support its regeneration and give it moisture. Leaves a pleasant fresh herbal scent.
