

Eskimo Liquid Soap

For mild cleansing of
dry, stressed hands

A mild, skin-friendly soap for dry, stressed hands and regular handwashing. The moisturising and replenishing care formula with 5% urea, betaine and sorbitol leaves the hands feeling smooth and soft, without irritating or drying them out. After washing, your hands will feel velvety, soft and supple. Free from alkali soaps fragrances and colours. For additional care, we recommend applying our Eskimo hand protection cream to the hands after washing.

Ingredients: Aqua, Sodium Laureth Sulfate, Urea, Sorbitol, Glycerin, Betaine, Sodium Cocoamphoacetate, Lauryl Glucoside, Coco-Glucoside, Glyceryl Oleate, Tocopherol, Lecithin, Sodium Chloride, Sodium Cocoyl Glutamate, Sodium Lauryl Glucose Carboxylate, Ascorbyl Palmitate, Hydrogenated Vegetable Glycerides Citrate, Citric Acid, Phenoxyethanol, Benzoic Acid, Dehydroacetic Acid.
