

## Hemp Oil Cream

Skin soothing, moisturising skin care cream with 10% genuine hemp oil (Cannabis Sativa Seed Oil) from certified organic cultivation. For the care of dry, mature, but also flaky, scaly skin. Especially people with sensitive, irritable skin respond positively to the natural ingredients of hemp. Almond oil, betaine and Defensil®, a plant-based formula that soothes the skin, ideally complement care and give the skin a healthy, velvety feel and natural beauty. Free from added fragrances and colours. For use on the entire body.
