

Eskimo Clinical Soap

Gentle, lipid-replenishing care for sensitive skin. Also ideal for stressed skin, e.g. for doctors, surgery staff and other people who wash their hands regularly. No added fragrances and colourings. The mild, skin-friendly soap base made from pure plant oils together with precious jojoba oil cleans your skin thoroughly without drying it out.

Ingredients: Sodium Palmate, Sodium Palm Kernelate, Aqua, Simmondsia Chinensis Seed Oil, Glycerin, Sodium Chloride, Tetrasodium Glutamate Diacetate, Citric Acid.

Made in Germany
