

Sunscreen Anti Wrinkle Jojoba Oil SPF 10

Contains valuable, natural jojoba oil, carrot oil and natural moisturizing factors. Anti-Wrinkle - Suncream Jojoba Oil protects the skin against UV-rays, is quickly absorbed and hydrates the skin.

Apply generously 30 minutes before and several times during sunbathing.

Avoid contact with the eyes and textiles, durable stains are possible.

Ingredients: Aqua, Simmondsia Chinensis Seed Oil, Cetearyl Alcohol, Ethylhexyl Methoxycinnamate, Pentylene Glycol, Caprylic/Capric Triglyceride, Glycerin, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Tocopheryl Acetate, Hibiscus Abelmoschus Seed Extract, Glycine Soja Oil, Sodium Cetearyl Sulfate, Butylene Glycol, Fructose, Urea, Niacinamide, Inositol, Tocopherol, Lecithin, Sodium Lactate, Sodium PCA, Sodium Benzoate, Lactic Acid, Glycine, Daucus Carota Sativa Root Extract, Beta-Carotene, Ascorbyl Palmitate, Xanthan Gum, Helianthus Annuus Seed Oil, Phenoxyethanol, BHT, Parfum (Hexyl Cinnamal, Linalool).

Usage: Apply liberally before sunbathing. Small application quantities reduce the protection. Avoid intensive midday sun, apply repeatedly to maintain the sun protection especially after staying in the water. Protect babies and children against direct sun radiation, use protective clothes and sunscreen with high a SPF (SPF higher than 25). Even sunscreen with high sun protection factor do not offer a full protection against UV radiation, therefore you should not stay too long in the sun. Avoid contact with the eyes and textiles, durable stains are possible.
