

## Organic Mangosteen Juice

**Fruit juice content 100 %**  
**NFC-Juice from certified organic cultivation.**

### Interesting facts:

The mangosteen tree (*Garcinia mangostana*) is native to Asia. It produces more or less large tomato-sized, purple fruits with a fine, sweet-sour taste. But not only tastes mangosteen delicious, its flesh is also rich in bioactive polyphenols (phytochemicals). According to current knowledge, the mangosteen fruit is the richest natural source of xanthones, that belong to an important group of substances called flavonoids. Organic Mangosteen Juice is a tasty way to well-being and health. Organic Mangosteen Juice is very tasty and at the same time it makes a valuable contribution to a balanced and varied diet.

No added sugar and preservatives. 100 % NFC-juice from biological cultivation.

Organic Mangosteen Juice is a natural product. Variations in appearance, colour and taste are natural and do not indicate a loss of quality.
