

Organic Wheat Grass Powder

purely plant-based
vegan

Good to know:

Wheat grass is a natural, vegetable dietary enrichment. A smoothie prepared with Organic Wheat Grass Powder contains the full power and wide nutrient spectrum of this wonderful plant. Our Wheat Grass Powder is obtained by gently drying and grinding young, organically-cultivated wheat plants. At the time of harvesting, the nutrient content in the young leaves and green shoots of the wheat grass is particularly high. Organic Wheat Grass Powder can simply be stirred into water, juices, soups or other food and enjoyed. Purely plant-based, vegan.

Ingredients: 100 % Wheat Grass Powder from controlled organic cultivation.

Average nutritional values	per 100 g
Calorific content	1086 kJ/263 kcal
