

Organic Almond Protein Powder

100% pure protein powder made from the best oil-extracted, gently and finely ground almonds with a very low bitter proportion from controlled organic cultivation. With its high protein content of approx. 50%, our organic almond protein powder is recommended as a supplementary source of protein in the diets of senior citizens, youths and athletes. Almond Protein Powder can be used to enrich smoothies, shakes and muesli or as a flour substitute in cake or bread dough, amongst others.

- High protein content
- Purely plant-based, vegan
- Gluten-free, cholesterol-free, lactose-free

Ingredients: 100 % *Almond* Protein Powder from controlled organic cultivation.

May contain traces of hazelnuts, peanuts, pistachios, sesame, soya, and nuts.
