

Organic Cranberry Juice

100 % fruit juice

Unsweetened fresh juice from controlled organic cultivation.

Useful information:

Cranberries, the North American version of the lingonberry, can thank their typical, bright red colour to the fact that they are rich in polyphenols. Once they have ripened well, the cherry-sized fruits are left in their natural state and gently pressed into a refreshing juice with a fruity-bitter taste.

No added sugar or preservatives.

Once opened, store in a refrigerator and use within 3 weeks.
