

Afa Uralgae Tablets

Food supplement with vitamin B12
Vegan

Good to know:

The blue-green, wild growing Afa alga (Klamath-alga, *Aphanizomenon flos-aquae*) grows in the clean water in the middle of a nature reserve of the Upper Klamath Lake in Oregon/USA. The Upper Klamath Lake is one of the clearest and cleanest lakes in North America. The Afa alga grows mainly "wild" in excellent external conditions in especially mineral-rich spring water of volcanic origin.

Ingredients: Afa-Algae Powder (99.99 %), Vitamin B12.

Each tablet contains 250 mg of pure natural Afa-Algae and 0.5 µg Vitamin B12.

	per tablet	per daily dose (= 6 tablets)	% of NRV recommended daily dose*	per 100 g tablets
Afa-Algae powder	250 mg	1500 mg	**	99.99 g
Vitamin B12	0.5 µg	3 µg	120	200 µg

* NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

** No reference value has yet been established

Suggested use: Take 1-2 tablets three times daily with sufficient liquid.

Keep out of direct sunlight. Store below 25°C

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle.
Keep out of the reach of young children. The recommended daily dose should not be exceeded.
