

Anti-stress Relaxing Oil

Contains Diptene, Linalool, Citronellol, Citronellal, Geraniol, p-Menthan-3-on,
p-Mentha-1,4(8)-dien, 1.8-Cineol, Geranylacetat, alpha-Pinen, Citral.

100 % pure essential oils for use as a room fragrance

Essential oils are volatile fragrances stored by plants in their flowers, leaves, fruits, bark, roots and wood, which can be extracted through steam distillation, extraction or by scoring the plant bark.

Tried and tested oils have a relaxing effect and promote your well-being. Skin sensitising!

Ingredients: Lavender oil, orange oil, citronella oil, geranium oil.
