

Anti-Acne Roll-On

For spots, pimples and blackheads

Sanct Bernhard Anti-Acne-Roll-on is the quick and convenient answer to spots, pimples and blackheads. The formula with Zinc PCA has an antibacterial and sebum-regulating effect. Pimples and other skin impurities are thus effectively reduced. Allantoin, panthenol, glycerin and witch hazel soothe inflamed, irritated skin and provide moisture, freshness and nourishment. Look forward to relieved, clean skin! Also ideal when travelling.

Application: Simply apply as required to spots and skin impurities.

Ingredients: Aqua, Alcohol denat., Propylene Glycol, Panthenol, Glycerin, Hamamelis Virginiana Water, Allantoin, Zinc PCA, Sodium Salicylate.
