

Moringa Oil Cream

Vital substance enriched cream
For normal and damaged skin

A pleasantly light, vitamin and nutrient enriched cream for daily, regenerating care of the face, neck, neckline, hands and backs of the hands. Moringa oil, also known as ben oil, is cold pressed and filtered from the seeds of the moringa tree (*Moringa oleifera*). It is characterised by its remarkably high unsaturated fatty acid content. Its high stability makes it highly durable without preservatives and stops it going rancid. Supplemented with broccoli seed oil and extract of hibiscus abelmoschus, which stimulate collagen production and counteract skin-ageing, Moringa Oil Cream provides a youthfully tender and supple skin. Also suitable for male skin, such as after shaving. Vitalising subtle, fresh scent.

Ingredients: Aqua, Moringa Oleifera Seed Oil, Pentylene Glycol, Cetearyl Alcohol, Glyceryl Stearate, Tocopheryl Acetate, Zea Mays Germ Oil, Brassica Oleracea Italica Seed Oil, Sucrose Stearate, Hibiscus Abelmoschus Seed Extract, Triticum Vulgare Germ Oil, Glycine Soja Oil, Helianthus Annuus Seed Oil, Tocopherol, Sodium Ascorbyl Phosphate, Bisabolol, Lecithin, Retinyl Palmitate, Linoleic Acid, Butylene Glycol, Ascorbyl Palmitate, Linolenic Acid, Sodium Cetearyl Sulfate, Xanthan Gum, Phenoxyethanol, Benzyl Alcohol, Pentaerythrityl Tetra-Di-T-Butyl Hydroxyhydrocinnamate, Parfum (Coumarin, Limonene, Linalool, Eugenol).
