

Organic Sauce for Roasts

This tasty, fine flavored organic gravy goes well with traditional meats, mushrooms, dumplings, noodles, potatoes, puree, rice and various vegetables. Also to enhance and refine the flavour of your own sauces. Pure vegetable, without added monosodium glutamate. An enrichment for the nutrition-conscious kitchen with the highest standards of quality and taste. Pure vegetable, vegan.

Preparation: Stir with a whisk approximately 3 tablespoons of sauce powder (42 g) in ½ liter of hot water, bring to a short boil and let cook gently for one minute, while stirring constantly. You can refine this sauce with cream, wine or green pepper. Let your creativity run wild!
