

Omega-3 Perilla Oil Capsules

Nutritional supplements
with plant omega-3 fatty acids

Facts to know:

Perilla oil contains in comparison to other plant oils the highest portion of biological active, polyunsaturated Omega-3-fatty acids. Perilla oil is obtained from the seed of the Chinese medicinal and spice plant Perilla (black nettle). It is rich in alpha-linolenic acid (ALA), the only Omega-3-fatty acid, which the body cannot produce by itself. ALA makes a contribution towards maintaining a normal cholesterol level in the blood (from a daily intake of 2 grams).

Each capsule contains 500 mg of pure Perilla oil.

Ingredients: Perilla Oil (73%), Gelatin, moisturizer Glycerin, antioxidant Tocopherol-rich extracts.

	per capsule	per daily dose (= 7 capsules)
Perilla oil	500 mg	3500 mg
of which Fat	500 mg	3500 mg
of which saturated fatty acids	45.5 mg	319 mg
- monounsaturated fatty acids	84 mg	588 mg
- polyunsaturated fatty acids	370.5 mg	2594 mg
- of which alpha-linolenic acid	296.5 mg	2076 mg

No reference value has yet been established for the daily intake according to VO (EU) No. 1169/2011
