

Organic Hibiscus Flower Tea

Blended

Who does not know the beautifully flowering hibiscus? In the garden, the colourful splendour of the mallow plant puts us in a good mood. Connoisseurs appreciate the fruity-tart, fine-sour flavour of this deep ruby red tea. Our hibiscus flower tea is made from the dried flowers of *Hibiscus sabdariffa* and is an excellent thirst quencher at any time of the year. It can be enjoyed hot, cold or with ice cubes. Many love to add lemon juice, honey, sugar or maple syrup to hibiscus flower tea. Also perfect for mixing with fruit juices.

Ingredients: 100 % hibiscus flower from controlled organic cultivation.

Preparation: Pour 1 litre of boiling water over 15 g of hibiscus flower (approx. 6 teaspoons) and leave to infuse for 6 to 8 minutes. This is the only way to ensure that the tea is safe to drink.

Excessive consumption during pregnancy and lactation is not advisable.

Close properly and store in a dry place.
