

Coregan plus® Herbal Tea

Boosts the cardiovascular system

Coregan plus® Herbal Tea supports the metabolism and boosts the cardiovascular system thanks to the composition of its herbs. Tried-and-tested, carefully composed herbs in a well-balanced mix, long known to have a positive effect on the body, taste good, support our organs and have a beneficial effect.

Ingredients:

Lemon Balm Leaves, Mistletoe, Horsetail, Yarrow, Valerian Root, Motherwort, Cat's Paw, Hawthorn Leaves with Blossom, Olive Leaves, Lavender Blossom.

Preparation:

½ l boiling hot water is poured over 3 teaspoons of Coregan plus®. Leave to infuse for 10 minutes, strain and drink. Only that way you get a safe food.

Close properly and store in a dry place.
