

Organic Agave Syrup

A natural sweetener from certified organic agave plants (*Agave Salmiana*). With its intense sweetness and mild, fine-aromatic taste, characterised by a light, subtle caramel note, agave syrup is an excellent alternative for sweetening smoothies and cereals, desserts, beverages such as coffee and tea, for baking, pancakes or simply as pure vegetable-based spread. The light yellow, concentrated juice naturally has a high fructose content, is 100% vegan, is easy to dose and very versatile. You will love it!

Ingredients: 100 % agave syrup from controlled organic cultivation.
