

Montmorency Sour Cherry Capsules

Nutritional supplement with Montmorency sour cherry extract and zinc

Useful information: The deep red, intensely fruity sour cherry is considered by many connoisseurs to be the "queen among cherries". The fact that the "Montmorency" variety, originally from France, enjoys special attention may be due to the experiences of consumers who have integrated Montmorency sour cherries into their daily diet over a longer period of time. With our capsules, you benefit from a highly concentrated extract for which up to 50 kg of fresh, fully ripe Montmorency sour cherries are processed per kg of extract. A combination with the trace element zinc makes sense, as it has been scientifically tested and confirmed to contribute to a normal acid-base metabolism. Lactose and gluten-free.

Ingredients: 66 % Montmorency Sour Cherry (*Prunus cerasus*) Extract (50: 1), Bulking Agent Microcrystalline Cellulose, Gelatine, Separating Agent Magnesium Stearate, Thickening Agent Guar Gum, Emulsifier Sunflower Lecithin, Zinc Citrate.

	per capsule	per daily dose (=3 capsules)	% of NRV recommended daily dose*	per 100 g capsules
Montmorency sour cherry extract	400 mg	1200 mg	**	66 g
Zinc	1 mg	3 mg	30	0.2 g

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011

** no reference value available yet

Recommended use: Swallow 1 capsule 3 x per day with sufficient liquid.

In case of difficulty swallowing: Mix the capsule contents with water and drink.

Keep dry and out of direct sunlight. Store below 25°C. Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Made in Germany

Contents: 90 capsules = 53 g
