

Juniper Berry-Rosemary Shower Gel

A refreshing, revitalising shower gel with a wonderfully aromatic scent.

A refreshing, revitalising shower gel with a wonderfully aromatic scent thanks to the pure, natural, essential oils from juniper berries and rosemary. The unique combination with menthol is stimulating, promotes blood circulation and also provides a pleasantly cool skin feeling. Moisturising betaine cares for the skin and maintains its natural moisture and protects it from drying out. Perfect for an active, fresh start to the day or revitalisation after work or sport.
