

Lotus Flower Scented Body Lotion

For skin that feels fresh and velvety soft

Be enchanted by this light, summer-fresh body lotion! Exotic, fruity aromas envelop your skin in the bewitching fragrance of the lotus flower, one of the most beautiful flowers in the world. The best natural body oils, such as almond oil, wheat germ oil and jojoba oil, pamper your skin and make it wonderfully soft and supple. An intensively moisturising care formula strengthens the skin's natural hydro-lipid content and prevents it from drying out – for a fresh, soft and velvety feeling.
