

## Cold Season Herbal Bath

A wonderfully beneficial, relaxing bath additive, in particular during the cold, wet time of year and when there is an increased risk of catching a cold. Contains camphor and menthol as well as the natural essential oils of spruce needles, mountain pines, eucalyptus and Japanese mint. The healthy herbal oils develop particularly well in warm water and release their beneficial, soothing properties as you inhale. Noticeably clears the nose and respiratory airways to ease breathing. Natural plant oils nurture the skin, making it soft, smooth and supple.

**Application:** Add a few squirts (approximately 20 ml) Cold season herbal bath to the bath water and stir it to distribute the essential oils. Enjoy your bath for 15-20 minutes at approx. 36-38°C.

Avoid contact with eyes. Not suitable for children under 6 years of age.  
Do not use in case of incompatibility with one of the ingredients.
