

No More Bad Mornings Shower Gel Lemon

For skin that feels fresh and velvety soft

Open the shower curtain for a squeaky-clean start to the day. This fruity-refreshing shower gel with natural lemon oil banishes grouchy mornings with the first lather and is sure to create a good mood in your bathroom. The lemony scent takes you straight to sunnier climes and gives you new energy and zest for life. Moisturising betaine cares for the skin, protecting it from drying out - for a smooth, velvety-soft feel to your skin. Give your morning a kick-start. For more lemony moments to combat bad mornings, we recommend the hand cream and body milk from this series.
